Bouldering at St. Croix Falls - \$25.00

In addition to the camp fee, each scout is responsible for a \$60 incidental expense charge which covers the cost of transportation to and from camp (fuel and possible rental van), fast food meals in transit, and Wednesday night activities. We will collect this charge on May 30, 2007.

Tomahawk Scout Reservation is located on Long Lake in north-western Wisconsin, 20 miles north of Rice Lake. Encompassing more than 2,500 acres of woodland area and over eight miles of shoreline, Tomahawk is home to the council's summer Boy Scout and Webelos resident camps as well as the Snow Base Winter Camp.

Forty campsites within three Boy Scout sub-camps are host to over 5,500 boys and 1,500 leaders each summer. Troops camp for a full week (from Saturday to Saturday) during one of the nine summer sessions. Campsites at Tomahawk are pristine, wooded and well-spaced, with over 90% of the sites sharing waterfront on some body of water.

A dedicated and caring camp staff, outstanding facilities and wide variety of programs for Scouts of all ages earns Tomahawk the reputation as one of the best Scout camps in the nation. Tomahawk's program and facilities have been continually expanded and enhanced to accommodate the growing number of Scouts and leaders who camp in the four sub-camps. Visit Tomahawk Scout Reservation, and let us deliver Scouting's promise to you.

Summer Camp is one of the highlights of Scouting and can make all the difference to a boy's Scouting experience. Troop 507 urges every family to send their scouts to camp every summer.

Troop 507 does not wish any Scout to miss out on a Summer Camp experience with the troop due to a problem with cost. Parents may contact Scoutmaster Bill Savage (630-416-3049, scoutmaster@bsa507.org) or Summer Camp Coordinator Jim DerKacy (630-416-1530, summercamp@bsa507.org) to inquire about financial assistance.
